Hi Sarah,

Could you please let me know what the lab# is on the drug cert? Also, what day is this case scheduled for? As far as testifying, the first name on the drug cert is the person that was the custodial chemist (they had physical custody of the drugs, weighed them, and performed preliminary testing), the second name is the chemist that did the confirmatory GC/MS work. Both Annie and I are trained in both aspects and would be able to testify to each others findings.

Thanks,
Kate

Hi Ms. Corbett,

I am the prosecutor currently assigned to the case against [REDACTED]. On the drug cert two names are listed: yours and Ms. Annie Dookhan. I am preparing summonses to be sent out for Trial and am wondering if I need both of you. At your earliest convenience please let me know if you would be able to testify to the testing of the cocaine in this matter or if Ms. Dookhan is also needed.

Thank you.
